The 1990 Homecoming football game vs. Woodhaven was a very important game. At stake were the Pioneers' undefeated record in the league, a three-game win streak, and a win to please the huge crowd. The Pioneers dominated the game from start to finish and routed the Warriors 21-0. Dearborn offense and defense played spectacularly, allowing them to record their third consecutive shutout.

## HOMECOMING ACTIVITIES

Dearborn High's 1990 Homecoming welcomed a number of different activities: a bonfire and pep-rally for the football players, and the class competitions for all. "The Class Competitions were a great success. It got the kids involved and helped raise school spirits," said senior Jean MacKenzie. The games were added to get the people involved, and all in all the students enjoyed the new activities and hope they become tradition at Dearborn High.

2. Lauren Guzik and Gretchen Rakowicz stuff their faces in the pie eating contest.

On the evening of September 29th, students from Dearborn High School were fussing over the short period of time they had left to get ready for the big moment. They have all been waiting for the Homecoming Dance. This eventful evening started off with a little dinner. All the couples met back at DHS by 9:00 pm to attend the dance in the Redwood Room. Most went home with happy memories that will be remembered forever. The theme was Wonderful Tonight.

# 1991 HOMECOMING COURT

The 1991 Homecoming Court was as follows ( look to upper-left picture ) Brad Lezotte, Kristen Rubis, Randy Nickel, Kelly Heller, Mike Mazzara, Kelley Dawson, Mohammed Abdrabboh, Stacey Hale, Matt Neumeyer, Jean MacKenzie, Travis Furlow, and Robbin Tenglin.

This year's Homecoming Court was made up of six guys and six girls. They were chosen by their classmates on who best represented the class.

There was a small change in tradition this year. Instead of announcing King and Queen at halftime, the crowd remained in suspense until after the game, due to the fact that all the guys on the court were also on the football team.

The Homecoming King and Queen were Travis Furlow and Kelly Heller. Both Travis and Kelly are very active members of the Student Council. Kelly and Travis both felt very honored to receive such a prestigious title.

Back row: left to right Matt Neumeyer, Brad Lezotte, Travis Furlow, Mike Mazzara, Randy Nickel, and Mohammed Abdrabboh. Front row: Left to right Jean MacKenzie, Kristen Rubis, Kelly Heller, Kelley Dawson, Robbin Tenglin, and Stacey Hale.

# COUNSELORS

People come and go in a student's high school career -- teachers, friends, etc. -- but one person that the student has to help them through the full four years is their counselor. The counseling department is headed by Bill Rice. D.H.S. has four other counselors: Jim Hoey, Jean Makela, Mary Nieporte, and Larry Pye. This is Mr. Pye's first year as a counselor.

The counselors organize career seminars, help seniors decide where to apply to college, and make themselves available for students who need to talk about personal problems.

Lenny Bowers

As you walk through the halls of DHS you feel a sense of security knowing that Lenny Bowers and Marcia Sombati are patrolling the halls to maintain order in our school. They keep in constant contact with the administrators through walkie-talkies to make sure every inch of this school is protected. Not only do they help during the school day, but they also monitor after school sports activities and dances.

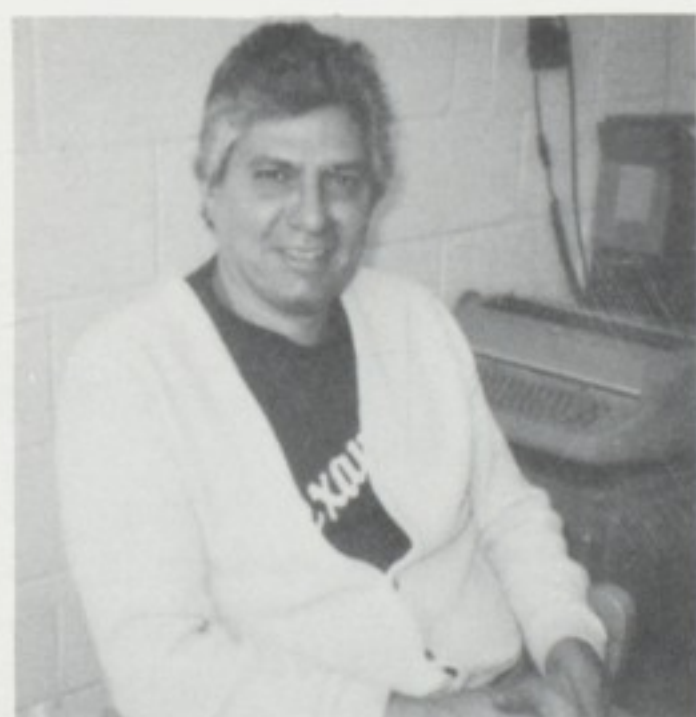

The DHS kitchen staff: (l.-r.) Manager Judith Canfield, Linda Mohny, Donna Hartfiel, Joane Hudson, Suzanne Boothe, Chris Hipp, and Connie Brouillette.

Early each morning, the DHS cafeteria staff begins preparing nutritious meals and snacks for all of the students who don't bag their lunch. Every day there are a variety of meals offered, ranging from spaghetti and pizza, to cheese rolls and sandwiches. Juice, as well as milk, is available for students to drink. All of the different selections keep the students healthy throughout the year.

## NURSE

The school nurse covers eight schools including a pre-school in Ten Eyck, elementary schools, junior high schools, and D.H.S. There are five school nurses to cover approximately 22,000 students.

The nurses are responsible for maintaining immunization records, keeping records on students' medication and doing hearing and vision tests.

The nurses are educated in AIDS and other communicable diseases. They are a resource for health information for both the staff and the students.

Although all of the substitute teachers are important, the most popular substitute at D.H.S. is Mr. Mike McKinney. Mr. McKinney has put a lot of time and energy into teaching the young people at D.H.S. He deserves credit and recognition for his caring.

# HEARING IMPAIRED

Most people do not appreciate being able to hear, but the hearing impaired students here at Dearborn High do not let their handicap stop them from doing anything. They attend regular classes, and with the help of interpreters and specially trained teachers, they can communicate their questions and ideas. In turn, they are able to understand the information given by the teachers. These students and teachers are exceptional and inspirational to us all.

# MATH

All math teachers at some point in their careers, encounter the age old question "When are we going to use this in the real world?" Most teachers reply by stating, "This week on the test."

Although all teachers have their own methods of teaching, they all have the same specific purpose. They want to help their students learn math and let them reach beyond the letters and numbers, to better understand the importance of mathematics in everyday life.

# SOCIAL STUDIES

Social Studies at Dearborn High School is a major part of all the student's academics. World civilization, U.S. history, economics, and government are all required classes students must take in order to graduate. Many students also choose to take elective social studies classes such as sociology, psychology, and geography.

All the teachers enjoy teaching and get pleasure out of helping students learn more about their country and many others. They also are involved as sponsors of Moot Court, S.A.D.D., Model UN, and Amnesty International.

# FOREIGN LANGUAGES

Foreign language at DHS consists of French, German, Spanish, and American Sign Language (ASL). Many students take these classes for enjoyment and a challenge. They are not required, but give an extra edge in the future.

Classes consist of learning vocabulary, singing, and being introduced to that country's culture. In ASL, students learn the alphabet, how to communicate with one another, and even sing songs by "signing."

# MUSIC

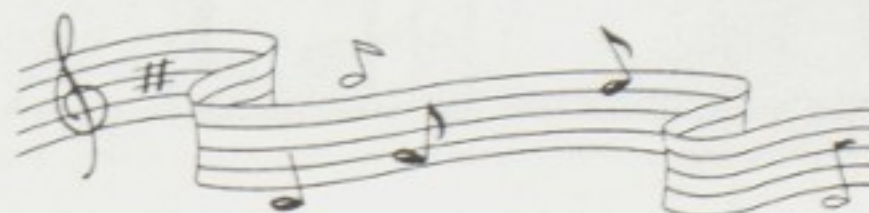

Mr. Pye

Ms. Skwarski

Once in a while one can hear faint music coming from F- hall. Off in their own wing of the school, the musicians create sounds that are pleasing to the ear. The goal is to make rhythm and harmony with their voices and instruments.

# HOME ECONOMICS

The Home Economics Department is known for the courses it offers in food, but a variety of different courses are offered, such as Life Management and Child Development.

Life Management offers students a chance to learn how to manage money and stay within a budget.

Child Development allows students to learn about a child's development from conception to pre-school.

Students can also explore career opportunities in the clothing and interior design industries.

# INDUSTRIAL ARTS

Students need a way to express themselves with materials without being destructive. Dearborn High solves this problem by offering many courses in the Industrial Arts Department.

Courses such as woodtech, auto-shop, small engines, drafting, and electronics allow students to use their hands as well as their heads to develop skills useful in the workplace.

# YEARBOOK

Whoever says yearbook is a "blowoff" obviously never took the class. Yearbook teaches many important skills such as responsibility, the importance of a deadline, and teamwork. The staff, headed by teacher advisor, David Gardner, and Editor-In-Chief, Shannon Morelli, have been working hard to ensure that this year's yearbook would be the best ever.

"I took the class because I wanted to be a part of my senior yearbook," said senior Aim'e Wolfe. "I want to look back and know that I was part of it. The class is very demanding, but I don't regret taking it."

The Observer is the school newspaper that informs the staff and students about events inside and outside of school. The paper is put together by the Observer staff, with Mr. Webb as the advisor. As they learn the journalistic style of writing, the staff members work hard to put out a weekly paper. The students get experience interviewing teachers and students, as they learn how to deal with responsibility. Being able to work with deadlines is also a part of their job.

Each week stories are assigned and written by individual reporters. Every Tuesday the stories are typed and printed, a computer layout is made, and paste-up is done. Every Friday, the paper is distributed throughout the school.

"Putting out a weekly paper takes a lot of dedication from everyone on the staff," said Editor-in-Chief, Evelyn Dodt. "You have to be a part of a team, not an individual."

# FORENSICS

Forensics class is an excellent way to express yourself in the forms of speaking. They combine storytelling, dramatic interpretation, and interpretive reading, so the student has a chance to familiarize himself with each area. "It's a combination of public speaking and acting. It's fun to do, and fun to watch what other people do," stated senior Heather Raleigh.

Forensics is an essential part of any career that requires a great amount of speaking. It also gives students a chance to get comfortable in front of an audience.

# DEBATE

This year's Debate Team proved that through hardwork and dedication, goals can be accomplished. The Debate Team's topic, this year, centered around Space. "It was a lot more challenging than last year's topic, but all things considered, I think there were a lot of good, talented students," stated senior Heather Raleigh.

The class was considerably larger than in past years, which added to its success. "Debate this year contained about 30 students, compared to last year's small class, which made it more fun," stated senior Amy Schmick.

# MUSE

Muse, a literary magazine of poems, short stories and art work combines a student's images and ideas into creative expressions. This year's edition created a new format by including work done by teachers. "This year's Muse promises to be one of the best," stated Helena Baginski (teacher advisor for Muse). Each year Muse submits its magazine to the National Council of Teachers of English, to be judged in all areas of creativity, and a rating of Above Average, Excellent, or Superior is then posted. The 1989-90 edition received a Superior rating for the first time ever. Hopefully Muse will continue its outstanding publication for years to come.

They also played at special school ceremonies, such as National Honor Society and Senior Awards Ceremony. The Orchestra also performed at various junior high and elementary schools in Dearborn.

Dearborn High is privileged to have one of the best concert choirs around. DHS's Concert Choir is made up only of Seniors and Juniors. These students practice many hours so that their performance is always a great success. They perform at many different functions such as the Jazz Show, Cabaret, the Christmas Concert, and the Spring Concert. Mrs. Suzanne Skwarski is their instructor, who makes all their shows very special. Every year they perform in the Music Festival in March which is held at DHS. This year's Music Festival should be a great one, because it is the last time DHS will host it.

Vocal Ease (L - R) Front: Melisa Klimaszewski, Tiffany Avery, Karen Leeth, Rick Caruso, and Colin Farrell. Middle: Sarah Olasz, Mrs. Skwarski, Megan Reiter, Brynne Schroeder, Todd Sensoli, Heather Raleigh, and Jamey Bath. Back: Mark Halverson, George Block, and David Hoey.

Vocal Ease is a very prestigious music group. It consists of only the finest choral students at DHS. These students are chosen by audition only. Their music director is Mrs. Suzanne Skwarski. Mrs. Skwarski helps the students any way she can to make all their performances a success. They perform at elementary schools city wide and other invitation events. Along with this, they perform at the regular music concerts with the other choirs. The choir travels and competes in the State Honors Choir and the Solo and Ensemble Festival. The biggest event of the year for them is the MSVA Choral Festival which is hosted right here at DHS in March.

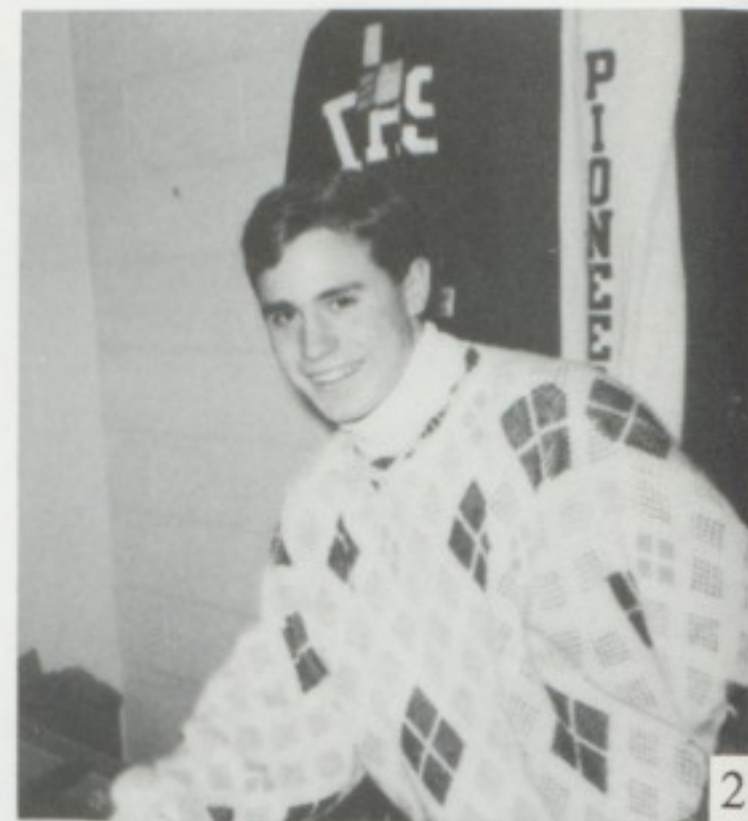

# FIRST STOP

During school lunch the majority of students like to hang out at a place called the First Stop, which is run by Mr. Chodoroff who teaches the students marketing skills. This is a place to buy candy and other Dearborn High items, like sweat shirts, t-shirts, mugs, buttons, etc. You must make sure, however, when in the First Stop to buy plenty of candy so your "sugar high" does not come down by the next hour.

Front row: (L-R) Rich Tlusty, Josh Patterson. Second row: Alex Ignagni, Chris McPhall, Yolanda Skibbe. Third row: Derek Zion, Melissa Boyle, Dan Schaal, John Madden, Dan Nagy, and Mr. Chodoroff.

Mac McCormick is the station manager in Video Production. His responsibility is to run everything in the studio. Mac says, "Russ is my superior, and all the engineers are under me." Even though, as Mac says, "This is my third year in Video Production," he does as much work or more than everyone else. He is a director for various local programmed television shows, and also works part-time for Mr. Gibb.

# ECONOMICS CLUB

"Attention all fine outstanding students and lovers of learning, Economics Club is now in session!"

For those of you not lucky enough to have Mr. Doyle for economics, Econ. Club, as it is affectionately referred to by members, is a bi-weekly meeting where students go to receive help in the difficult subject.

A meeting, held at 7:30 in the morning, consists of a question/answer session, but Mr. Doyle usually does most of the talking.

Mr. Doyle is obviously proud of his club and is happy to take time to take part. "It's where the elite meet," he says about his future economists.

Seniors Dave Hoey, Heidi Pryzbyla, Heather Raleigh, Evelyn Dodt, and Tera Wyatt; juniors Suzy O' Donnell, Cassandra Munguia, and Julie Baker; and sophomore Ruth Ann Francis make up the firm's partners. Seniors Rick Caruso and Amy Schmick, and sophmores Tim Kasperzak and Jenny Kaye make up the firm's associates.

The D.H.S. Moot Court team participates in three major tournaments within the year. The Dearborn trial, which is called Law Day, is celebrated annually by the Dearborn Bar Association on May 1. The team recently won the Michigan High School Mock Trial held in Detroit, and will now go on to compete in the State Final Mock Tournament held in Lansing for the second year in a row.

Our D.H.S. Moot Court team has achieved great success in the past and will surely have continued success in the future.

# MODEL UNITED NATIONS

Dearborn High's 1990-1991 Model United Nations team did an outstanding job at the Model U.N. conference sponsored by University of Michigan. There were only four returning members from last year. Sponsor, Mrs. Susan Zimmerman, did an excellent job increasing from one delegation last year to three this year.

The three countries represented were Syria, the Federal Republic of Germany, and Finland, the only Security Council nation represented by our school. The head delegate(s) for each country were as follows: Shannon Morelli for Syria, Mike Hauben for F.R.G., and Melisa Klimaszewski and Matt Neumeyer represented Finland.

Senior Melisa Klimaszewski received a Distinguished Delegate award, and Senior Debbie Klecha received an Honorable Mention award. Senior Shannon Morelli and Junior Cassandra Munguia received an excellent plus rating for their Special Political Committee position paper.

The team also attended the Great Lakes Invitational Model United Nations Assembly, G.L.I.M.U.N., held in Traverse City, during March. They represented two countries, Spain and Mozambique.

Select students from all over the country went to Washington, D.C. to learn what the government is all about and how it works. While the students were there, they were taken to various places, such as the Capitol, the Washington Monument, and even the White House. During the trip, the students experienced a CLOSE-UP look at how the Federal Government operates and how life works in Washington, D.C.

# ART CLUB

Art Club is sponsored by Mr. Hashoian, one of Dearborn High's art teachers. He is seen in the hallways collecting soda cans for Art Club expenses. Art Club is a club for anyone, even if you are not good at art. The Art Club is a club that makes up projects, such as the "Holideer," or the "Boo Grams" to sell, and the profits go toward buying art, visually making the school a better place to be. As Mr. Hashoian said, "You cannot live by bread alone; you've gotta' have art." The Art Club also involves members in community service, going to Children's Hospital and nursing homes, to add a little cheer.

The Amnesty International Club is fairly new to DHS, but the organization itself has existed for several years. Amnesty's purpose is to end human rights abuses around the world. DHS members, like all Amnesty members, work toward the release of prisoners of conscience - persons imprisoned for nonviolent expressions of political, religious, ethnic, and other peaceful expressions. They also work toward fair trials for political prisoners, and an end to all torture and execution throughout the world.

Amnesty members not only want to help in the release of prisoners, but also make other students aware of the brutality taking place worldwide. "Amnesty International helps us to make a small difference in a world in which we sometimes feel helpless because of all the abuses and injustices happening in it," stated Evelyn Dodt (student coordinator). Hopefully the Amnesty Club here at DHS will continue to strive for freedom worldwide.

# Foreign Exchange

This year Dearborn High School has the privilege to host four exchange students.

They are a part of Youth for Understanding and Rotary Club. Each student must have a 3.00 G.P.A., or higher, plus two years of English. This year's foreign exchange students are Marion Abric from France, Estibaliz Ayensa from Spain, Nina Kranefuss from Germany, and Ryuta Yamamoto from Japan. # S.A.D.D./PEER COUNSELING

SADD and Peer Counseling were combined this year, but the purpose of the groups has not changed.

SADD(Students Against Driving Drunk)works to promote the message that drinking and driving is dangerous and can be fatal. They give others alternatives to driving drunk. Peer Counselors develop helping and communication skills so they can be available to help others. Eight members attended PIP Fest in November, which helped them to develop these skills. Peer Counselors aim to help other students through such activities as forming teams which welcome new students entering the school during the year. These two teams meet once every two weeks with those who need to talk to someone their own age. They also present peer resistance skills to fourth graders from feeder elementaries.

SADD-Peer Counseling sold baked goods, bumper stickers, and T-shirts during Open House. In December, red ribbons and T-shirts were sold for the annual Red Ribbon Campaign as reminders not to drink and drive during the holidays.

# B.A.B.E.S.

BABES, which stands for Beginning Alcohol Basic Education Studies, is a student group sponsored by Ms. Nieporte. The goal of the BABES program is to inform children about problems they're going to face as they grow up. The BABES visit third grade classrooms around the city, one hour a week for six consecutive weeks. In each session a short puppet show is presented, one which teaches a simple lesson. Throughout the series, the children learn all about self-image, peer pressure, alcohol and drugs, and how to get help when you have problems.

Each lesson is taught in a context which the children can identify with, and the kids respond well to the lessons. The lessons are useful ones for eight year olds to know, but they will prove even more useful in the long run.

# OFFTONES/TONETTES

The Offtones/Tonettes are a group of male and female singers (respectively), who sing wild and crazy songs from the 1950's and 1960's. For dress, the Offtones wear blue jeans and t-shirts; occasionally wearing bowling shirts with "OFFTONES" written on the back. The Tonettes wear blue jeans, t-shirts, and pink jackets with "TONETTES" written on the back. The concerts they perform at are The Jazz Show and the Cabaret. They usually sing songs which they can act out and have fun with. The two groups are popular among high school students. Adults also enjoy the music of their earlier years.

Thespian Troupe # 586, broke tradition this year by putting on two spring plays instead of the usual spring musical. This year the troupe presented the annual fall play and two spring plays. One play cast mainly males, the other cast mainly females.

The troupe, that originally started at Dearborn High in 1946, has been directed by Mrs. Joan Arrick for the past four years. Mr. Mike McKinney has been set supervisor for the past two years.

The troupe consists of approximately seventy-five Pioneer Players who have obtained enough set and acting points to be inducted into the Thespian Society. The Thespian troupe officers were voted into office by their fellow Thespians. The officers are as follows : President Melisa Klimaszewski, Vice President Amy Arrick, Secretary Shannon Morelli, Treasurer Tiffany Avery, and Historian George Bloch.

# TRI-M

Modern Music Masters, otherwise known as Tri-M, is the musical honor society at Dearborn High. Tri-M honors those students who excel in both musical and scholastic programs. Students are selected by sponsors and current members and must go through an initiation before becoming a member.

Tri-M's activities take the club into the community as well. In the fall, the group helped serve a dinner at the First Presbyterian Church. During Christmas, they were elves at a Christmas workshop at Fairlane Manor. Sometime in the spring, the group will take in a musical downtown at the Fisher Theatre.

"The best thing about Tri-M is that you get a chance to do community work, go to special musical events, and you get recognition on a college or work application," said senior Heather Bunse.

IT'S BACK! DHS students have pride in their school again. During Spirit Week last February, students indulged themselves with school spirit. Every day had a different theme. For instance, on Monday each class was supposed to wear a certain color and decorate their hall in that color. Color day is now a tradition at DHS. A new day we experimented with this year was Reggae day. People came to school in wigs and sandals, and at lunch we had a limbo contest, won by senior Bill Zagon. Of course Friday was Orange and Black day, but this year it had a twist. At lunch people could get a "D" painted on their face to show their school spirit. Spirit Week was topped off by a spectacular pep rally to get everyone enthused about the night's big basketball game against Edsel Ford.

# FALL PLAY

**NOW APPEARING  
HEAVEN CAN WAIT  
STARRING  
TROUPE 586**

This year's fall play, "HEAVEN CAN WAIT," had a dedicated cast and crew, and it came through as one of the best performances under director Joan Arrick. The hard-working set crew worked under the set director, Mike McKinney.

The comedy-fantasy was a story of a boxer, Joe Pendelton, who was prematurely taken to heaven by an over-confident angel.

The problem : it wasn't Joe's time, and restitution had to be made. The solution : Joe was offered hundreds of new bodies, and eventually decided to "move into" multi-billionaire Johnathan Farnsworth's body. Joe falls in love with the lovely Bette Logan and also falls into the murder plot of his new wife Julia and his personal-private, confidential secretary, Tony Abbott.

Both cast and crew got outstanding reviews in the Press and Guide : "The best ..... in many years."

# SPRING PLAY

## STEEL MAGNOLIAS

This year, Dearborn High students put on the play *Steel Magnolias*, directed by Mrs. Joan Arrick with the help of student directors Jamey Bath and George Bloch. The cast was made up of six talented girls who all did a wonderful job to make the play a success. "Because of the small cast, we were able to really grow as a group and become close friends, which showed on stage. *Steel Magnolias* was a great script...and we had a lot of fun working with it," said senior Mary Byrnes.

*Steel Magnolias* tells a touching story of six women living in Chinquapin, Louisiana, over a period of two and a half years. The story was set in Truvy's beauty shop and revolved around the life of Shelby, played by Rochelle Gauthier.

"*Steel Magnolias* was the best script I've ever performed. The six of us and our directors formed a wonderfully close unit that was also projected on the stage in our performances," said senior Amy Arrick. The girls performed their version of *Steel Magnolias* at the State Thespian Conference at U of M Flint in April.

# SPRING PLAY

This Spring the Thespian Troup #586 put on yet another exceptional production. The all male cast of "Stalag 17" revolves around a World War II American prisoner-of-war story concerning an unidentified German spy living among the prisoners.

Having 20 guys on the stage is very difficult to work around, but the Pioneer Players all executed their roles effectively. The fine cast of "Stalag 17" made it a play to go down in Dearborn High history!

# MARCHING BAND

The Marching Band is a combined group of guys and girls who play at school events such as football games. Mr. Pye, who has been directing the group for many years, succeeded in another great year of halftime shows. Something new for the Marching Band this year was their performance at the 1991 Detroit Auto Show. The musicians put on yet another great show!!!!

Every year his musicians do a great job at each of their shows. The Jazz Band consists of the electric guitar, bass, drums, keyboard, and many brass and wind instruments. The music they play varies from pop to funk.

The Concert Choir opened the show with "Walk Him Up the Stairs".

The boy's ensemble performed the classic, "Stormy Weather", as well as the Manhattan Transfer number, "Route 66". The girl's ensemble performed a jazzed up version of the bedtime classic, "Rock-A-Bye Baby".

The Jazz Band followed playing a variety of swing to contemporary jazz.

# In Loving Memory

On October 15, 1990, Dearborn High School was struck by tragedy this school year as one of its finest students died of an unexpected heart attack playing in a soccer game.

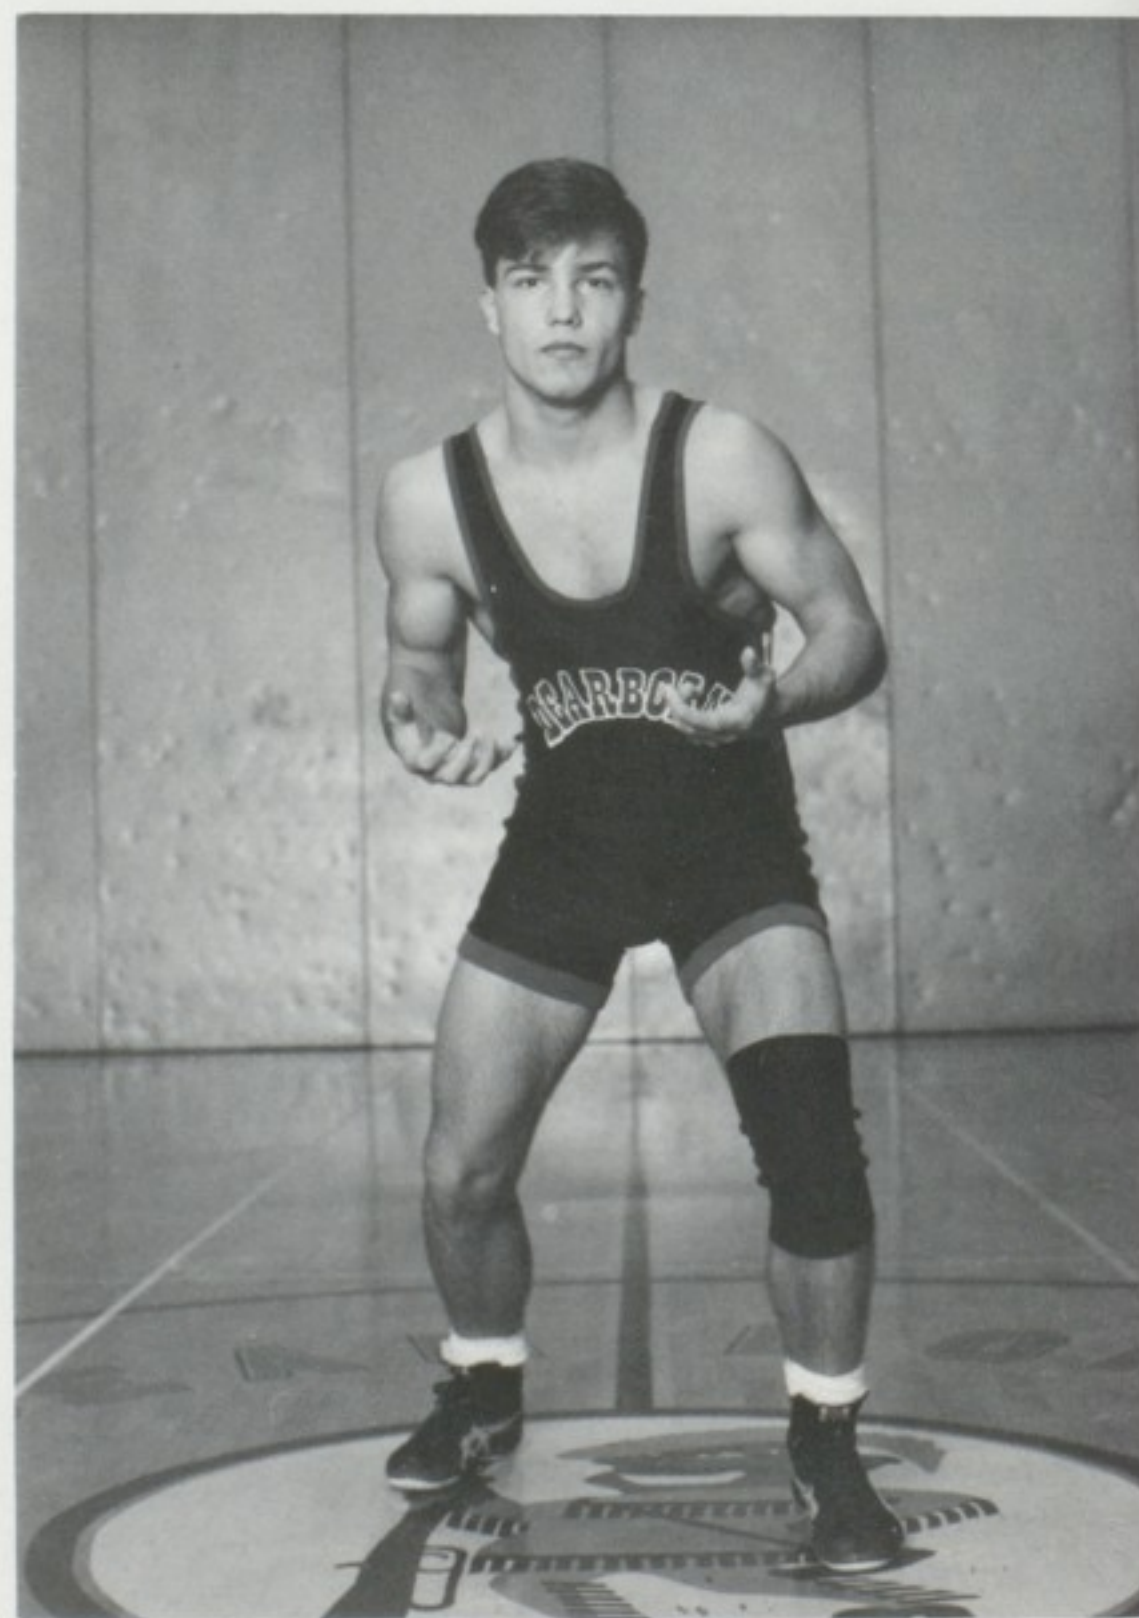

Dearborn High senior, Rodney Rudnicki, Jr., an 'A' student, was a member of the varsity wrestling team for three years and the varsity track team for two years as a pole vaulter. He was playing soccer for his first season, when during a game against Edsel Ford, Rodney collapsed on the field and was then rushed to the hospital. He passed away later that evening and all of Dearborn was in shock when they found out about the great tragedy.

"Rodney was a universal friend," said Colin McPhee. He was not just friends with one group of people. He was a unique person in the respect that he could get along with anyone; a quality very few people have. This made his death even harder to accept for many students.

Although it may seem sad, Dearborn High's student body definitely benefited from this incident. Friends that had grown apart were reunited, people who had never been friends were brought together, and all of the student body was affected in some way.

ABOVE (L-R): Todd Sensoli, Dave Cutler, Bill Zagon, Rodney Rudnicki, and Colin McPhee before a school dance.

That's all I wish to do...  
The glow in my spirit  
Please, please don't fear it  
Just please understand it was my time to go  
Nobody's fault or responsibility, no.

If you could see me now and how I am  
You will see that I've found happiness, yes you can  
Please understand I'll still be in the race  
Just wish you could see how I am in this place.

Where am I, am I okay?  
I look down on earth and watch as I lay  
Lay in a coffin with a glow in my spirit  
Please, please, oh please don't fear it.

I didn't understand at first, why I was taken away  
Away from life and the continuing day.  
The light up ahead was oh so bright  
Whispers and voices calling in the night.

I see my loved ones gather around  
Oh, I wish they could see the peace I've found.  
Remember me with a shining face and a sparkling smile  
I have the best seat, so I'll sit for a while.

Live life to the fullest, do what I can't do  
Fulfill all your dreams, in whatever you pursue.  
Very seldom in every day, people are wise  
So please take these words I advise.

I am very happy, happy to be free  
With God, I wish that all could see  
I am happy to be in Heaven above  
Now I am flying as free as a dove.

My body rests six feet under  
But that doesn't mean it's going to rain and thunder  
I know a lot of hearts were broken on earth  
Just remember me alive and well, and at birth.

The good and bad times are now the past  
I am happy here, but I wished it would last  
Life is the greatest gift to us all  
Now I am just standing so very tall.

If I had a chance to live on earth once more  
I wouldn't change a thing, just open every door.  
The door of peace, happiness, and love: For you,  
That's all I wish to do...

Dearborn High started their season on the wrong foot by losing their first game to Harper Woods Notre Dame. Later, however, with packed stands, they went on to capture a Homecoming victory against Woodhaven. This win catapulted the Pioneers on their way to earning their first NSAA League title. The following week Dearborn beat home-town rival Edsel Ford for west-side "bragging rights" and for the new Spirit Bowl Trophy. The league title was finally secured after Dearborn defeated Garden City in a thriller. After finishing the regular season 8-1, Dearborn was on course for the state playoff. Dearborn was the underdog in their first game against powerhouse Bedford, but proving the critics wrong, DHS put together four good quarters of intense football to upset the Mules 10-8 on their own turf. Next, Dearborn hosted the Northville Mustangs in a quarter-final shoot-out, but they failed to advance to the semi-finals. Dearborn has had a productive year ending with a 9-2 overall record which was the best in fourteen years. This season leaves high hopes for future teams to follow in the footsteps of the successful 1990 Dearborn High School football team.

## COACH'S COMMENT

Once again, the girls' tennis team showed everyone who was boss, as they were led through their season by head coach, Kevin Towe. Towe was the seniors' fourth coach in four years. The girls had no problem adjusting, as they made their way through a winning season.

Out of ten players, five girls returned to help the 1990 varsity team to victory. There were two surprise additions to the team this year. One was senior Nina Kranefuss, a German exchange student, who played at number two doubles. The second, was the winning combination of freshmen, Nikki Foley and Laura Maura, at number three doubles.

Through lots of effort and teamwork, the girls finished the season with an 11-1 record. They took second place in the Mercy Invitational, and they were League Champs and Regional Champs. Also, seniors Cathy Nahay and Carrie Jex, junior Maria Madias, and freshmen Foley and Maura made the 1990 All-City Tennis Team. To finish the season off, the girls went to the State Finals in Midland, where they didn't do as well as they had hoped, but it was a great experience for them.

This year's boys' soccer team mixed experience with inexperience. More often than not, however, they came out on top. The Pioneers finished the season 9-4-2 and with a league championship.

The team started six new players and were led by a small core of experienced players. The All-League team included from Dearborn, senior co-captains Rob Scarcello and Doug Miller, junior A.J. O'Shaughnessy, and sophomore Fadi Bazzi.

Senior co-captain Doug Miller said, "Our team never got injured. We played like men and won a lot of games in the process."

## 1990 NSAA LEAGUE CHAMPIONS

## "...Young But Growing"

Hardwork, dedication, positive attitudes, and fun are four things that make a successful team. Throughout the 1990 season the Girl's Varsity Basketball team went through its ups and downs. Due to the amount of injuries that occurred throughout the season, the girls had to make a few minor adjustments. The Girl's Basketball Team ended the season with a 7 and 12 record, moving on to the Districts, winning the first two games. The final District game was played against Fordson, in which the Pioneers played a great game, but were defeated.

The 1990 Boys' Cross Country Team had another undefeated season, with this year's seniors having no dual meet losses for their entire four years. "The Boys' Cross Country Team is now a legend under coach Bob Bridges," stated senior Randy Smith. Under Bridges the squad has won 5 City Championships, 7 League Titles, 3 Regional Titles, and gone to State 7 times, capturing the title once, back in 1987.

The Pioneers were lead by Seniors John Button, Randy Smith, Scott Bartel, Mike Boruta, Mark Stoffel, Junior Ed Church, and Sophomore Nick Sheren, to a 4th place finish at State and another terrific year.

Despite a small turnout, the Girls Cross Country Team managed to pull out a respectable 5-2 dual meet record. The Pioneers were led by captains Erin Karr, Emily Mann, and 1990 Team MVP, Tammy Watson. In the future, the Cross Country Team would like to have more girls tryout and also send more team members to the State Meet, which they have done for the past two years.

The 1990 Lady Pioneers did a fabulous job this year. There was a great change this year from Class B to Class A. The girls won the league championship again this year. Robbin Tenglin and Colleen Shaw both placed at league in the 200 Medley Relay. They did a great job against Edsel Ford with a 67-26 win.

Five girls made it to state this year: Colleen Shaw, Robbin Tenglin, Jenny Boylin, Laura Andrews, and Katie MacKenzie. Robbin Tenglin placed 11th at state in the 100 Backstroke and Colleen placed 11th in the Breaststroke and 12th in the 200 I.M. The team's overall record was 6-5.

## COACH'S COMMENT

This year the boy's golf team had, once again, another great season. Next year looks to be even more promising since there will be eleven returning players. "It was a good season. We have a young team. We're on our way to being one of the top teams in the state again," stated Coach Jim Hoey. This year's captain was four - year letter - winner David Hoey, who led the team with his experience. A nice surprise this year was Freshman Tim Pacholek who was voted most valuable player.

## "WIGGLE IT"

The 1990 Girls' Field Hockey team was made up of both seasoned veterans and inexperienced players. Many of the returnees helped break in the newcomers.

The season started out not as a team, but with individual talents. Throughout the season they worked to become a team. This helped them very much at the State Invitational. They won two games and tied two, making it a three-way split in their pool. The three-way tie was between Ann Arbor Pioneer, Kingswood, and Dearborn. When the goals were tallied, Dearborn was prevented from going to the State Finals by a single goal.

Many people contributed to this team and were honored. Tracey Phelps received an All-State First Team, Gretchen Rakowicz received an All-State Second Team, and Katy Todd received an honorable mention.

## COACH'S COMMENT

"The season ended on a great note with a fifth place finish at State Invitational. Even though we had a young team we showed a lot of maturity on the field, and gave each one of our opponents a great contest."

The 1990-91 Varsity Boys' Basketball team had a tremendous season, capturing league and district titles as well as setting a school record with 20 victories and only 3 defeats. The Pioneers beat Livonia Churchill in their first regional game but failed to pull out a win against Detroit Cody in the Regional Final game.

The DHS Cagers started out strong and gained momentum as the season progressed with the entire team seeing court time. The team played hard and hung tough. Coach McCathney kept the pressure on all season and his efforts were rewarded down the stretch drive with several wins being decided in the last crucial seconds of the game. This year's team definitely proved worthy of its accomplishments.

## COACH'S COMMENT

# VARSITY VOLLEYBALL

This year's Varsity Volleyball team led an impressive season with a 29-10-7 record, and a league record of 7-1.

Led by senior captains, Laura Bernick and Theresa Kilgore, the "Spikers" placed third at the Edsel Ford and Almont Invitationals, second place at the Madonna Invitational, and first place at the Saline Invitational.

This year also brought them the honor of being district champs and earned them their second League Championship.

This year's team includes only 4 returning seniors, 7 juniors, 1 sophomore, and one freshman, leaving coach Diane Phillips with plenty of returning players for next year.

## Don't Mess With It!

The DHS swim team was definitely an example of the pursuit of excellence. They went undefeated in the dual meet season, won league, and placed 16th in the class A state meet.

The motto of this year's team was "Don't mess with it." They made this statement true by defeating top ranked teams in the state. Some of their more exciting meets were against Grosse Pointe South, Ann Arbor Pioneer, and of course, Edsel Ford.

The team made the individual, but the individual did not make the team. Even though there were no super stars, this team was made up of strong, intense people. Every time a DHS swimmer stepped up to the blocks, no matter what barrier was in front of them, they would simply swim through it.

This team got back to the basics of DHS swimming, winning, and hard work. They helped show that you can't count anybody out, especially a DHS team.

## COACH'S COMMENT

RAH! RAH! RAH! Cheerleaders at football and basketball games are an essential part of Dearborn High's school spirit. Without them, crowds wouldn't get the teams fired-up.

This year, the football cheerleading squad gave the football team a chicken dinner before the Edsel Ford game, decorated their houses with banners, and made signs to hang up at school. They also participated in the pep rally and cheered their team on to a league championship with a record of 9-2.

The basketball cheerleaders had a great season, too. The varsity basketball team were league champs, district champs, and had a large amount of appreciation for the cheerleaders. Both squads have a lot of happy memories of their season.

## LEAGUE CHAMPS!!

DHS Grapplers had an awesome season, as their record shows. In the first time in school history, they carried the league championship. Three of the senior wrestlers (Brad Lezotte, Andy Balestrieri, Jay Jakubowski) made state. Senior Randy Smith broke school record of 119 career wins with 124 career wins. Earlier this year, the team lost a three-year Varsity wrestler, Rodney Rudnicki, Jr., which they dedicated this season to. The Rodney Rudnicki Scholarship was presented to senior Bill Zagon for his outstanding accomplishments. The Dearborn High Grapplers expect to have many returning wrestlers next year.

~ Team Districts

The DHS fans go wild before the team's victory over Edsel Ford.

WRESTLE MANIA DHS!!

Another victory for Jay Jakubowski.

The 1991 Varsity Softball season is in full swing and the players have been looking very impressive right from the start. This year the team has 8 returning varsity members which include the following: Carey Maier, Michelle Osman, Lisa Dillard, Deena Scarpace, Tiffany Avery, Cathy Williams, Gretchen Rakowicz, and Roxanna Mc Creedy. The returning players have high expectations for the newest members of the team which include: Andrea Rutherford, Dawn Arthur, Julie Bell, Michelle Dewyer, Erica Desentz, Megan Phelan, and Susie Schmitt. This year everyone is looking forward to having a great season.

## COACH'S COMMENT

## COACH'S COMMENT

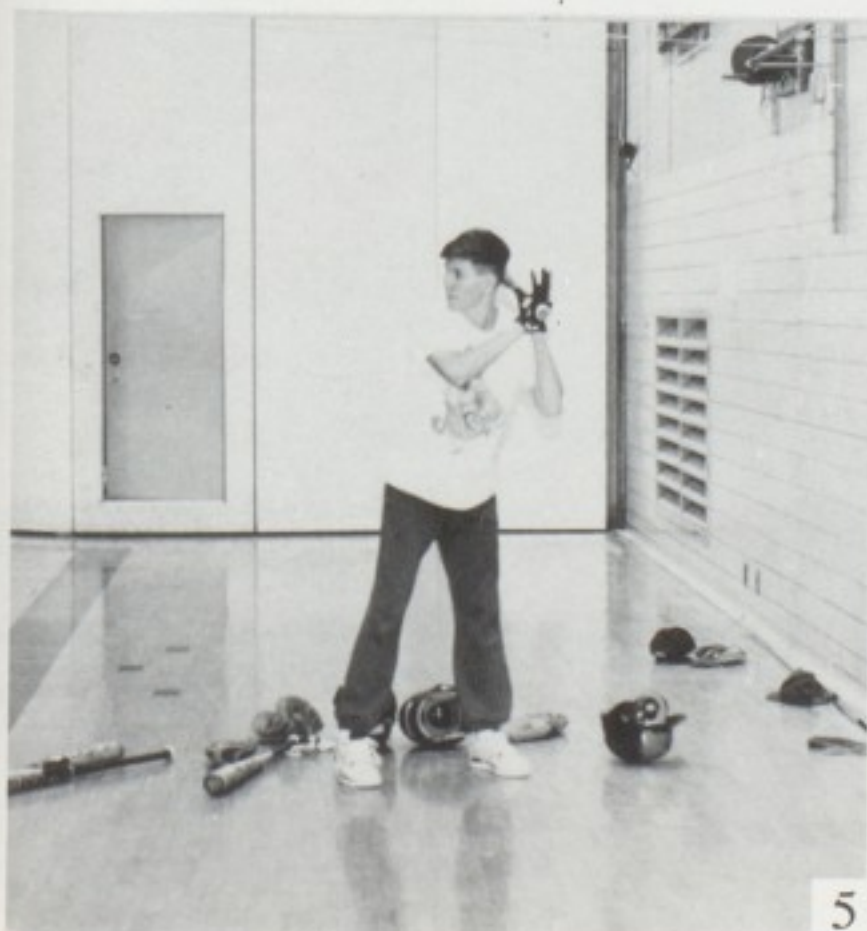

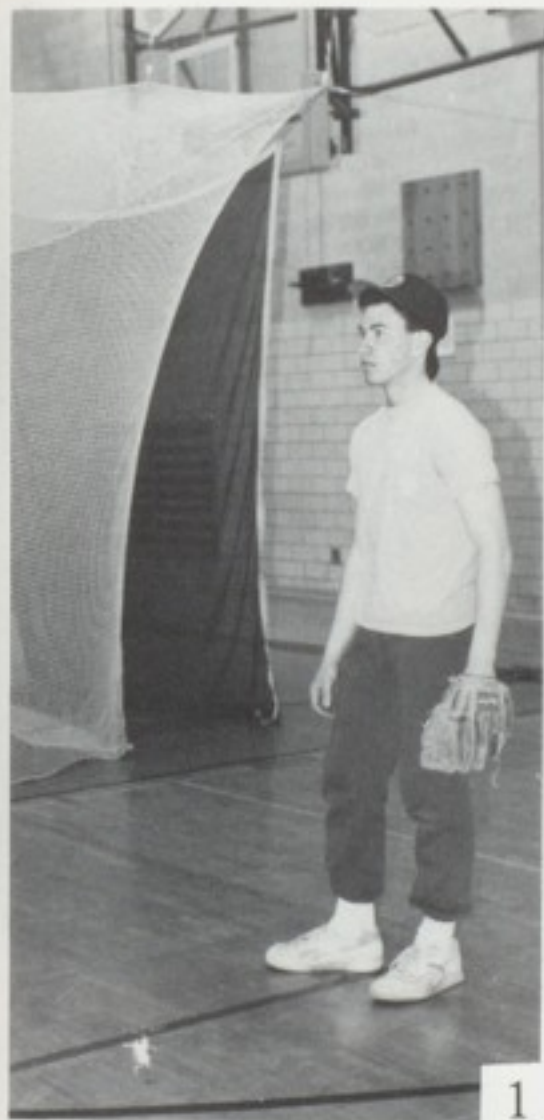

"When you're league champions, undefeated at home (11-0) and own the second best overall record in the history of the school (16-6), this brings out of every player a deep sense of belief, a belief that the best is yet to come."

-Coach Savas

With the arrival of a new season, the 1991 Boys' Baseball Team looks like they're headed for a bright future. "This year's team should be one of the best teams here at DHS; now we have to go out and prove we're as good as people say we are," pointed out senior Kris Bridges. The key advantage to this season is experience. Many of the players have been together since their first year at DHS, which makes it easier for everyone to be a strong team. This year's returning members are: seniors Sean Bak, Kris Bridges, Ken Dobson, Chris McPhall, Jeff Moulton, Chris Munson, Mark Pepper, and Derek Zion; also juniors Rich Tlusty and Neil Williams.

## WINNING!

This year's boys' track team promises to follow in the tradition of the many teams before it: winning! The returning lettermen have set some lofty goals for this team. They expect to go undefeated in dual meets, win league, city, regional, and place in the top 10 at the state meet. The team has people returning in all 17 events. There is depth in all events; they don't rely on individuals. Also, coming in first doesn't matter, times do. The team lives by a quote, "If you don't win the race, make the person in front of you break the record." They will focus on the end of the season, because that's when you find out who is the best.

## COACH'S COMMENT

I'm looking forward to a fantastic season

Track Captains:

Jill Janek, Renee Gruska, and Kelley Dawson

Coach Rick Austin

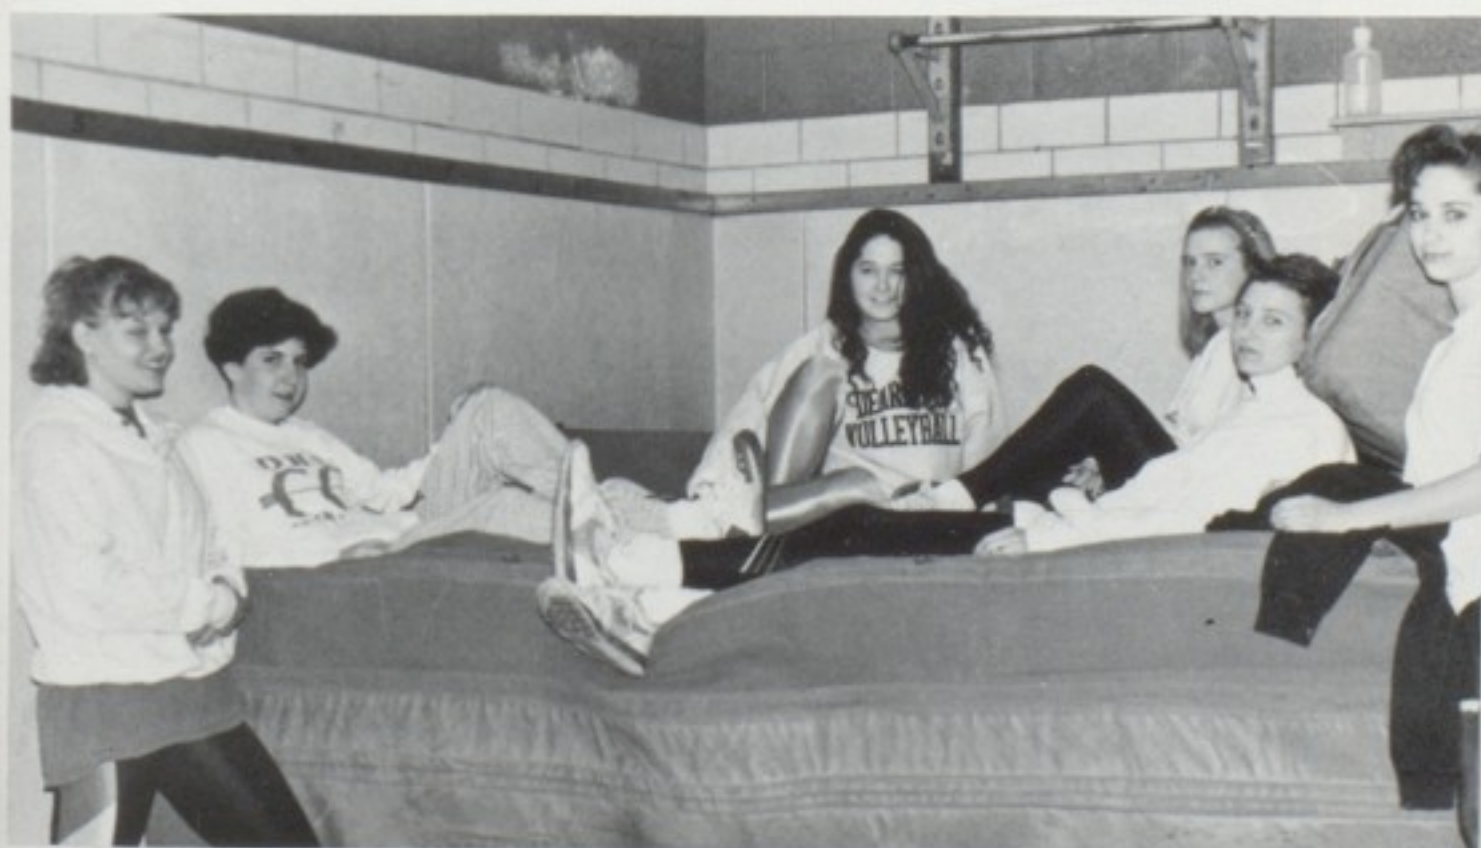

The 1991 Girls Track team has a new outlook for this year's season. Their new coach, Rick Austin, says they have lost a few of last year's lettermen, but he has a lot of returning lettermen and many hard working underclassmen. This year's Lady Pioneers Track team looks very promising.

The Captains are jumping for joy

## Quest for League Champs

The Boy's Varsity Tennis team have everything going for them this year. In 1990, they were first in the All-Area Tournament, first in the League meet, and second at Regionals.

The Pioneers should easily make up for the loss of last year's seniors. Returning seniors make up most of this year's varsity team.

Senior tri-captains Andris Abolins, Randy Nickel, and Travis Furlow hope for a promising season. Says senior Travis Furlow, "With the talent we have coming back, we should have a really good season."

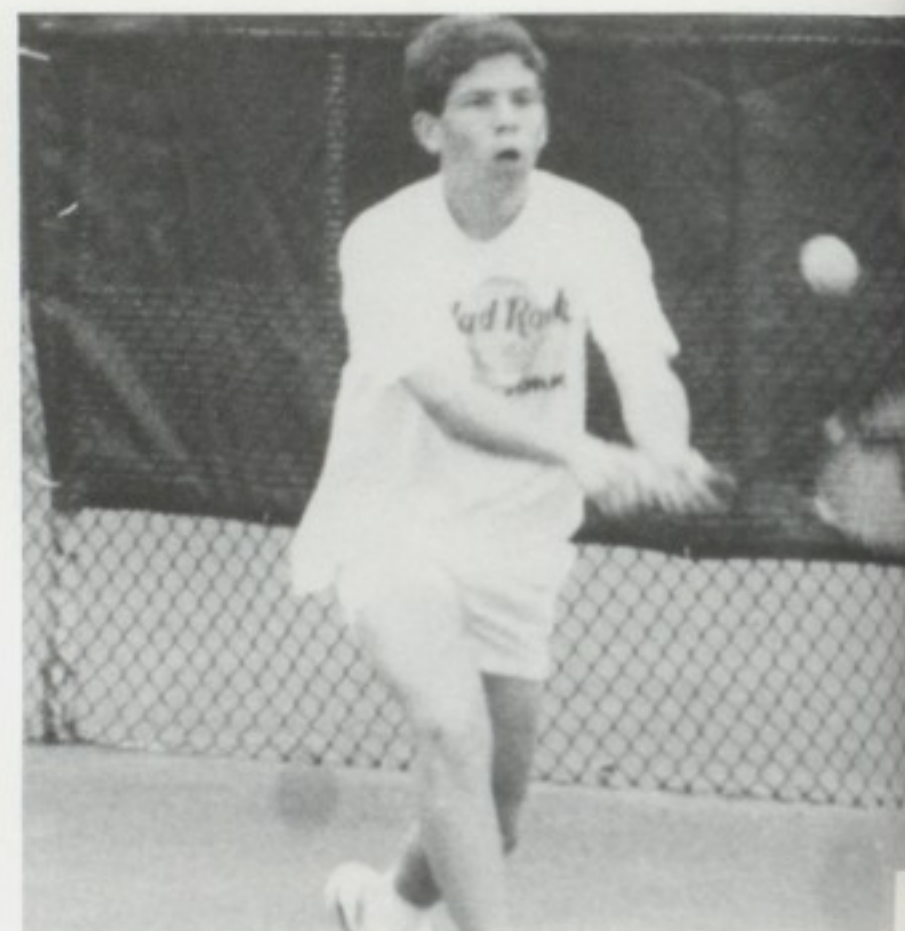

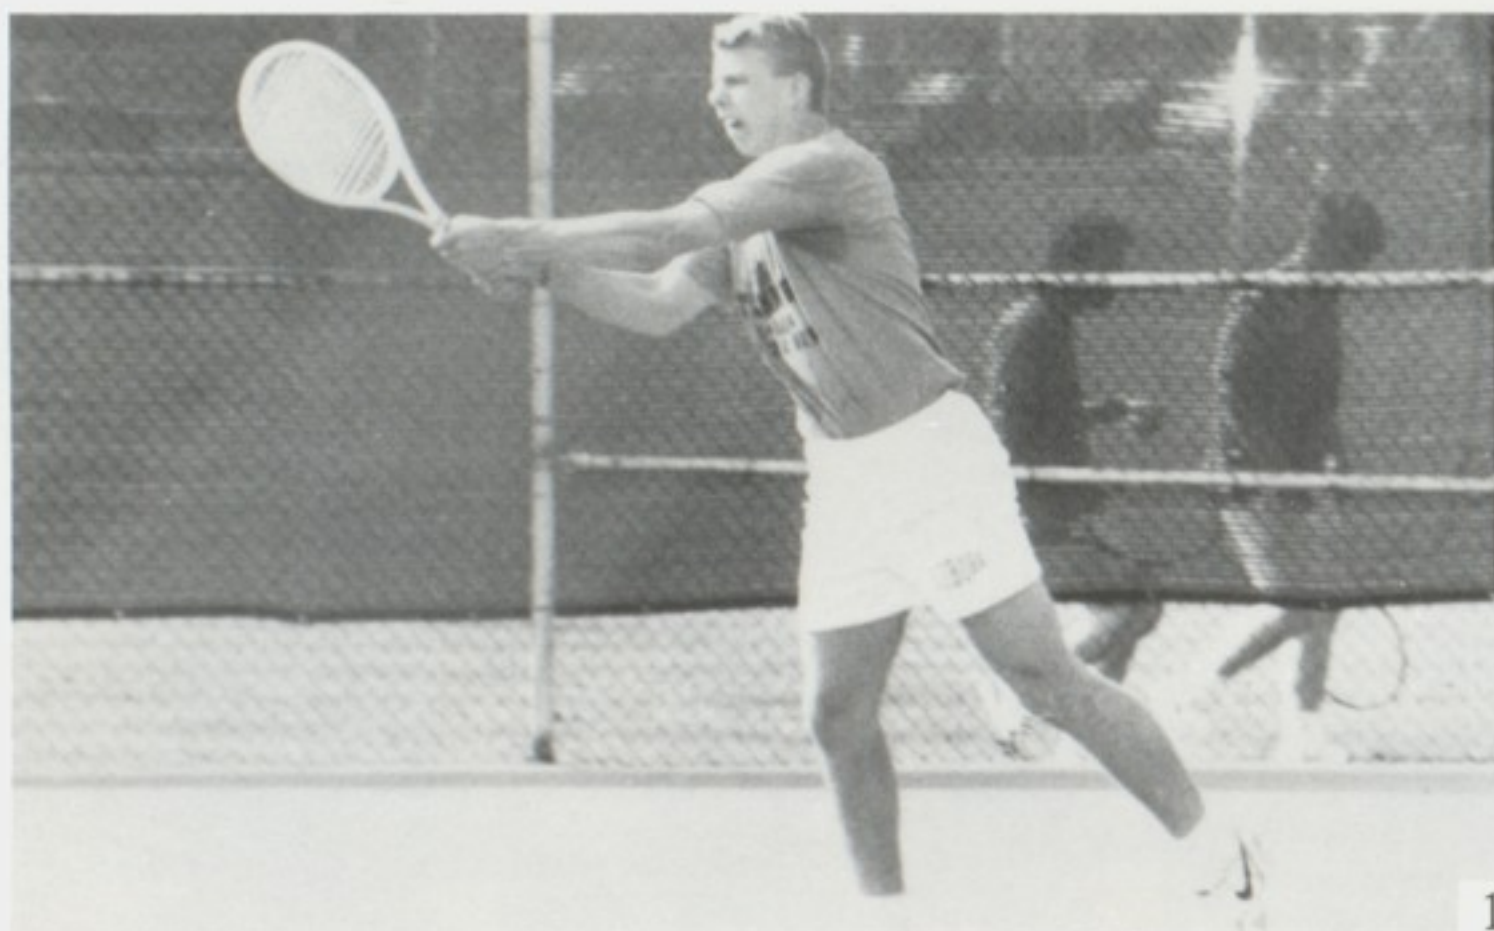

## COACH'S COMMENT

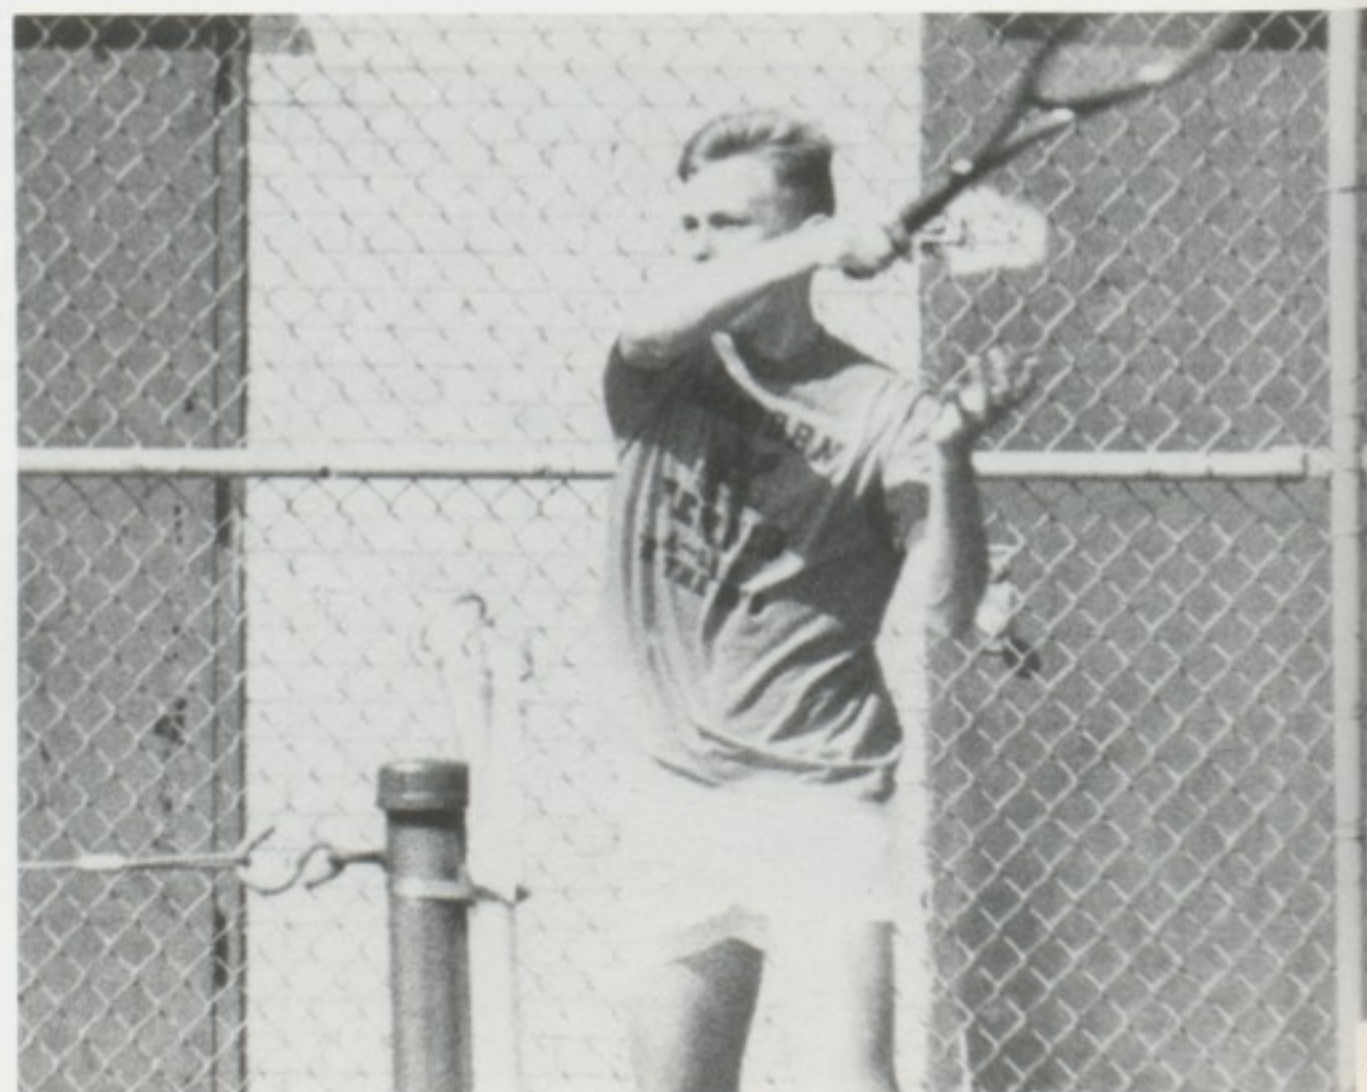

"We're working out the kinks, but I feel we have a very competitive team. We'd like to defend our league title."

Coach Snell

Senior Captains: Randy Nickel, Andris Abolins and Travis Furlow.

1. Randy Nickel puts great effort into his game.
2. Mike Arango watches the ball closely.
3. Andris Abolins returns the ball to his opponent during a match last season.

## COACH'S COMMENT

Coach Coombs

"The team has great potential and I have high expectations to go to the state championship."

CAPTAINS-  
Bill Wojewuczki  
Aimee Babcock

Girls' soccer has always been a fast-paced sport. Although they have not been the state champions since 1989, this does not discourage the team from trying their best to win the 1991 state championship.

This year's girl's soccer team had many returning stars, which helped give the team a mental and physical head start on the season.

Coach Paul Coombs teaches his players the art of dedication to the sport. He shows them how to be aggressive and defensive on the field. His style of coaching has made the girls into a very challenging soccer team.

Julie Baker and Dreama Butler warm up.

## The Promising Year

This year's golf season looks very promising. It is very fortunate that they have returning players from last year's season. Some of these players are senior Kristen Rubis, junior Laura Wicklund, and sophomore Joli Rothert. The team works very hard in season and out of season. They hope to improve their record this year, and maybe even win league.

## COACH'S COMMENT

"We have many fine returning players, and we are looking forward to the season," stated Coach Lou Stehlik.

# STUDENT

# LIFE

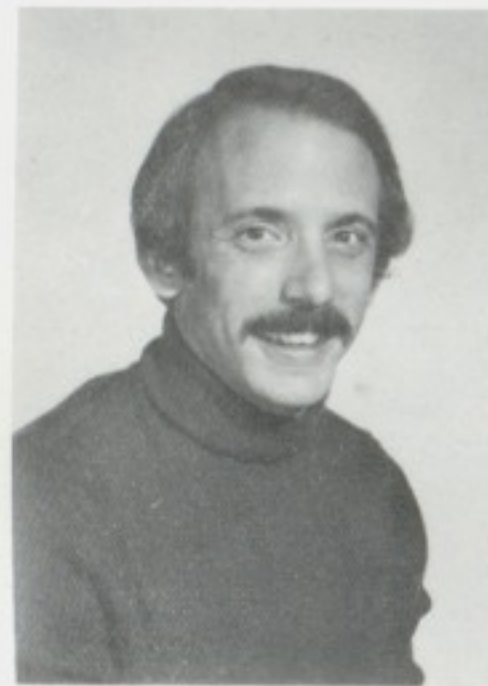

# DHS Alumni and

At last year's Homecoming football game we talked to some of our Alumni about the changes Dearborn High has gone through. Here's what they had to say.

"When I went to school at DHS, (twenty) seven years ago, the quality of students was much higher." -- Bill Nickel '64

"When we were at DHS the big fads were Letter sweaters, plaid skirts, knee socks, penny loafers, and White levis." -- Micheal Tenglin '64, Pat Lawrence '68, and Ted Lawrence '67

# Their Reflections

"My favorite memory of DHS was when we went over to Edsel Ford the night before the BIG game and let chickens loose on their field."-- Todd Avery '82

"The only difference in Homecoming now is, we had floats and bleacher parties. Each class would try to out do the other with the most spectacular float."-- Steve Olkowski and John Desanto '85

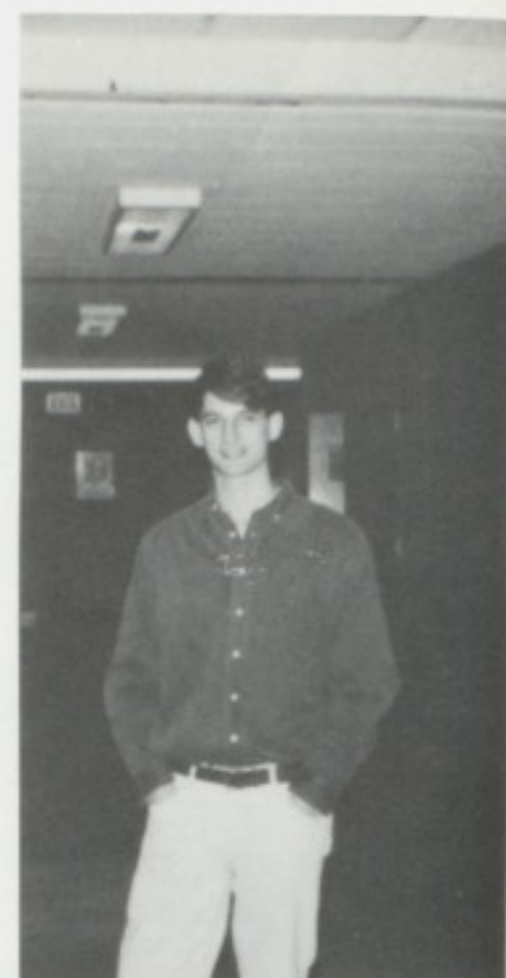

# FADS 'N FASHION

Every year a new type of fad or style introduces itself to our school. Last year there were such styles as Skidz, Raider and King hats and jackets, and big gold chains. Well, this year many new fads have come into our school, and many old styles have returned. Girbaud jeans are still very popular, and hats are still worn every day by many guys. A few new things this year are exposed boxers, and flannel shirts.

# Welcome Back Dance

This year's Welcome Back Dance, sponsored by the Senior Class, was a big hit. It was on September 21st from 8-11 pm. Returning students and the incoming freshmen got along and enjoyed themselves. Many upper-classmen showed the freshmen what DHS dances were all about. The faculty and volunteering parents chaperoned and made sure that all went well.

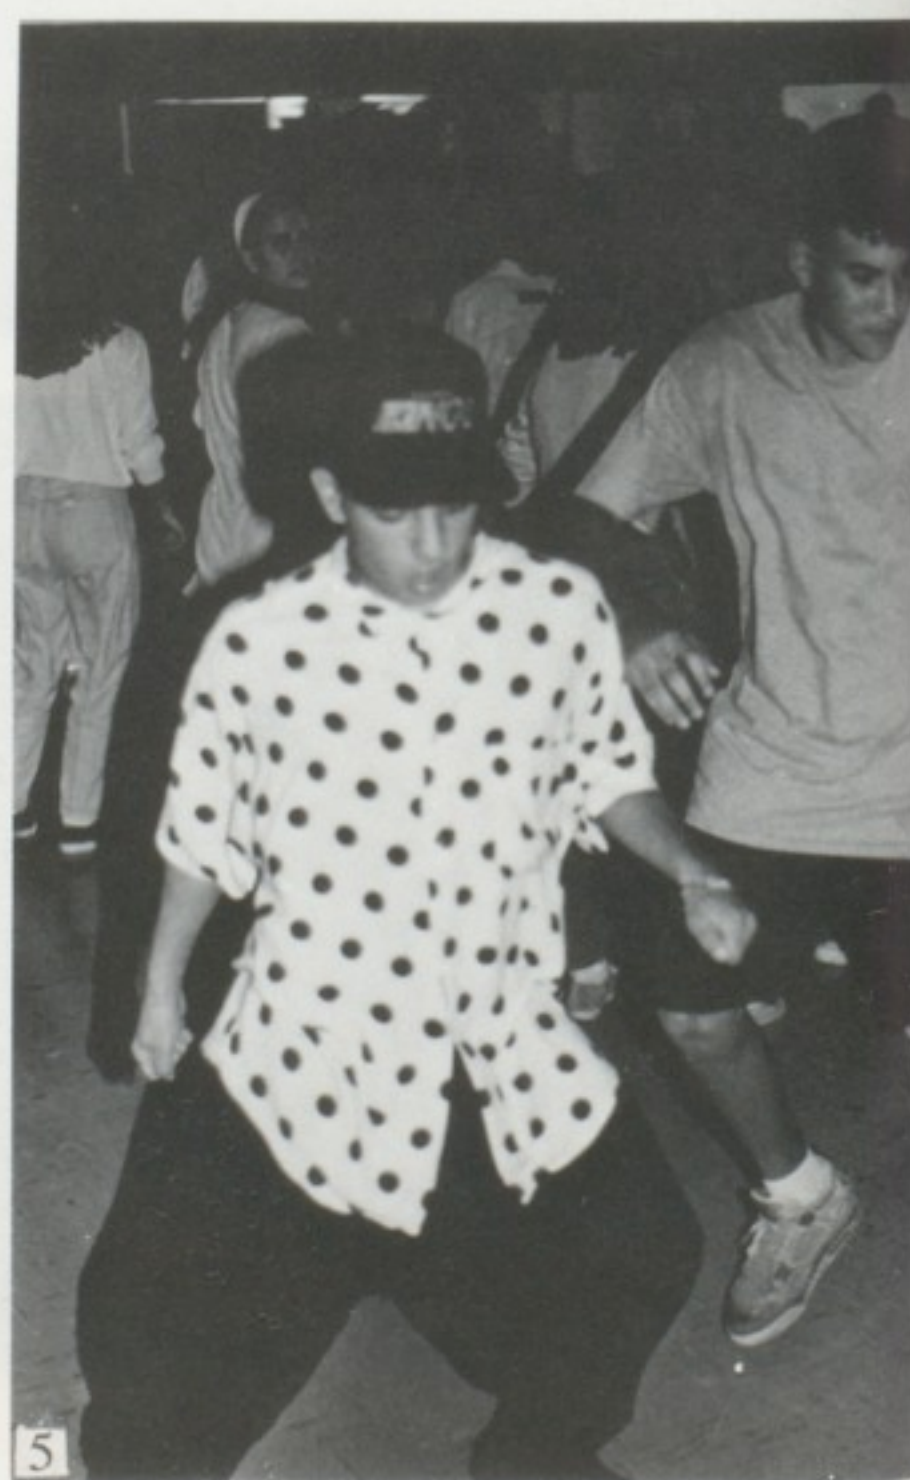

1. Laura Bernick, Kelly Heller, Jay Jakubowski, Chuck McShane, Ali Abdrabboh, and Norman Kristensen having a good time.

# HALLOWEEN DANCE

This year's Halloween Dance was one for the books. All four classes were represented magnificently at the annual event. Instead of the original "Ghost and Goblins," D.H.S. students came to the dance dressed in a variety of costumes, such as "Teenage Mutant Ninja Turtles" and the music group "K.I.S.S." Dearborn High's Video Production /WDHS sponsored the dance, and the D.J.s satisfied everybody's thirst for music.

# FACES AND FRIENDS

There are many different faces and friends at Dearborn High, and all of them are good ones.

All are very important to our school in that they have contributed to the wide variety of social circles one may want to be a part of. Some are athletes, some are thespians, others are high academic achievers, and

then there are those who contribute their own special something to DHS. All the students have their own way of having fun. Goofing around, playing sports, or just talking and laughing are some of the ways DHS students pass the time, whether it be at school or out and about.

# FACES

There are many different faces at Dearborn High and many different activities that all of them participate in. Some prefer school sports while others prefer to find activities to do outside of school on their own time. All of the ways people spend their free time are interesting. Weekends are for parties and good times, but so are the weekdays.
